This service also avoids high direct PSTN charges to the Iridium phone and offers a lower cost to the Iridium user. The caller first dials +1 480 768 2500 and follows the voice prompts to connect to the iridium phone. The caller pays for this standard international rate call. The Iridium account holder pays for the satellite portion at a cost as stated above.

Section 2: Communication Delivery Addresses

AST require email addresses to enable efficient communications. All email addresses will be treated in strictest confidence and held only in secure systems fully compliant with latest Data Protection legislation:

Billing email address

Please provide at least one email address to be used to provide you with your bill (invoice).

Notification email address

Please provide at least one email address to be used to provide you with important information regarding any changes that may affect your account such as, but not limited to, contractual communication, dispute resolution and legal matters. The first email address will be used as the default to create your account on MY AST Portal.

The default address will also be used to create an account on the AST Extranet. The AST Extranet gives you access to a complete information sharing platform that provides you with product and service related information, as well as the latest news. The email address is used to send important information such as service/portal outage notifications, network changes etc. You can unsubscribe to the AST Extranet but please consider this as you will stop receiving important notifications which may be business critical.

The notification email address will be used to provide you with product and service information, promotions, AST sponsored events and new technologies which we feel will benefit your business. If you wish to receive these communications please tick here.
